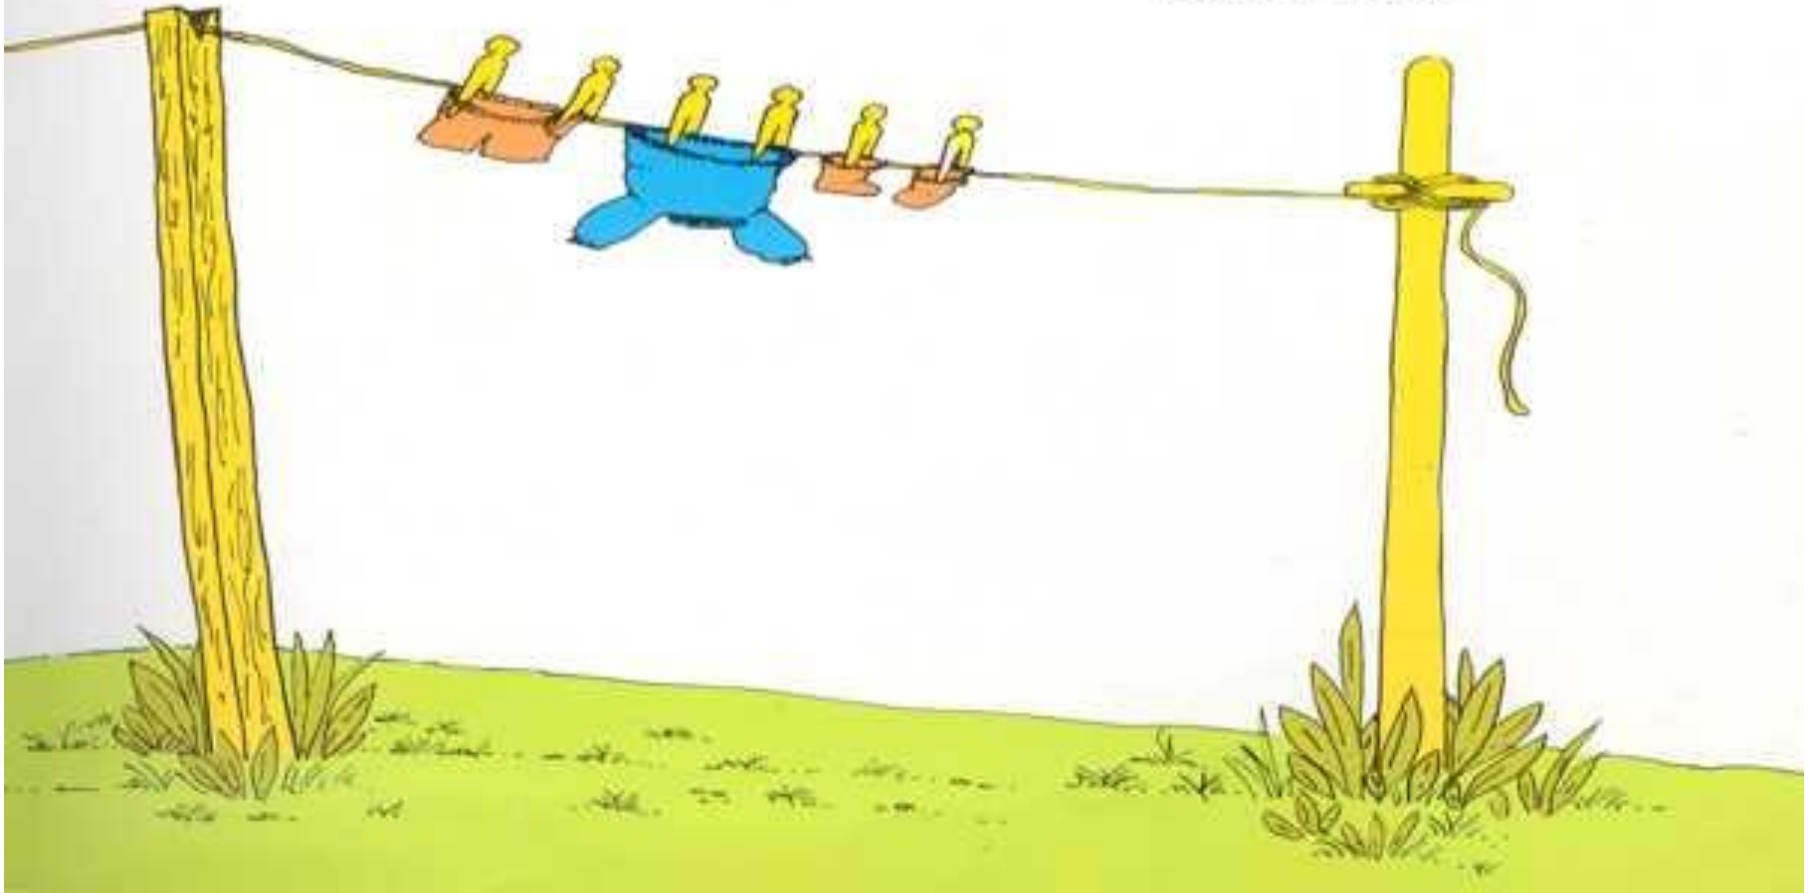
TITCH

by PAT HUTCHINS

RED FOX



Titch was little.

His sister Mary
was a bit bigger.

And his brother Pete
was a lot bigger.

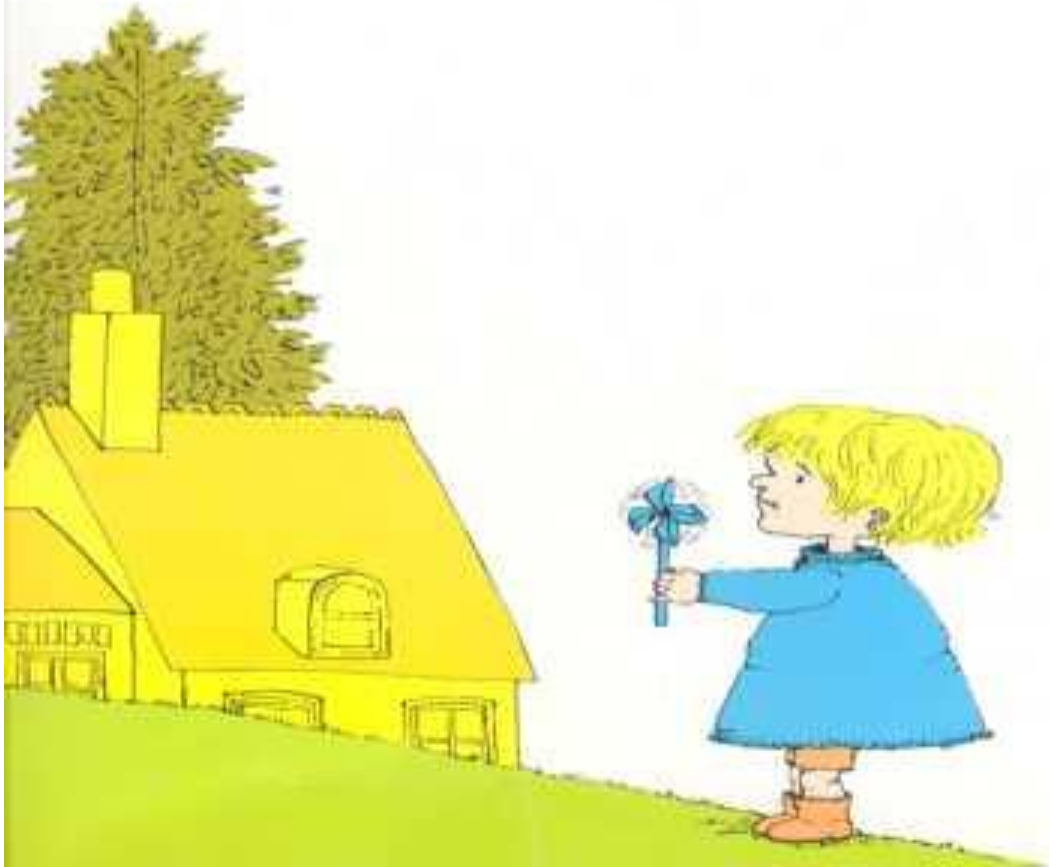
Pete had a great big bike.

Mary had a big bike.

And Titch had a little tricycle.

Pete had a kite
that flew high
above the trees.

And Titch had a pinwheel
that he held in his hand.



Pete had a big drum.

Mary had a trumpet.

And Titch had
a little wooden whistle.

Pete had a big saw.

Mary had a big hammer.

And Titch held the nails.

Pete had a big spade.

Mary had a fat flowerpot.

But Titch had the tiny seed.

And Titch's seed grew

and grew

and grew.
