

Planting Beans

Edible Sensory Recipe

You will need:

Chocolate sponge cake

Dried butter beans

Tray

Spoons

Plant pots

Method

1. Crumble up the chocolate sponge cake to make the 'soil' and put into the tray.
2. Add the butter beans.
3. Add the plant pots and spoons to the tray and get planting!

*This recipe is intended to be used as soon as it has been made and not to be stored for future use.

** Be aware of allergens contained in foods.

***Do not leave children unsupervised with this recipe, as butter beans could present a choking risk.
