Daily Activity

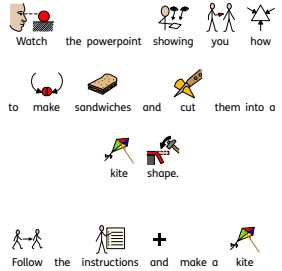

Watch the story The tiny seed. Can you use the ideas and make some different sunflowers using the art ideas.

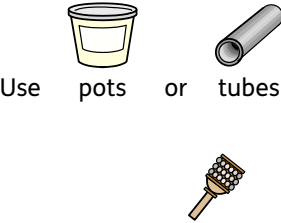

Watch the counting films then do some mark making and see if you can form numbers 1 - 5.

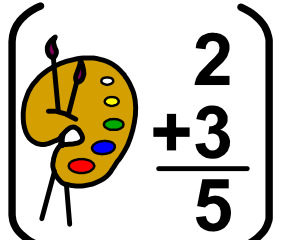

Watch the story Titch. Can you go on a hunt for different sized leaves, twigs and flowers in your garden or on a walk.

Watch the powerpoint showing you how to make sandwiches and cut them into a kite shape. Follow the instructions and make a kite.

Use pots or tubes to make a shaker.

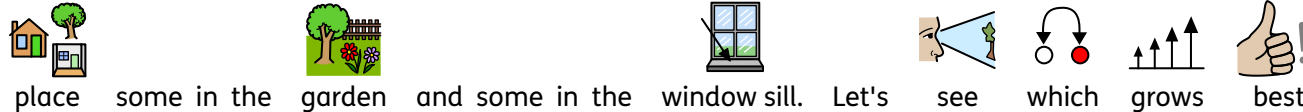

Topic

? + ? How and why does it grow.

Then watch the film planting seeds and plant your own seeds. Can you put some plants in a dark

place some in the garden and some in the window sill. Let's see which grows best.

If you want to do some more activities then there are lots more links to activities on our website.
