

Making a Shaker

The Craft Train

You will need

Toilet rolls Paint them beforehand for coloured shakers.

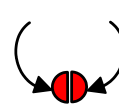

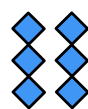

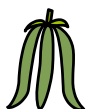

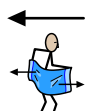

Duct or electrical tape

2

2, Milk bottle caps

Dried beans, rice, coffee beans or similar to make the

shaking sound

# Instructions

Stick

a milk bottle

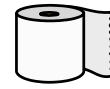

cap

on to

the end

of a

toilet roll

with

electrical (or duct) tape.

Tape

another

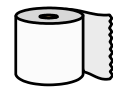

lid

on to the other

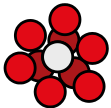

end

of the

toilet roll

enclosing

the

beans.

Make

patterns

by adding extra

stripes

of tape

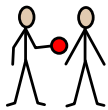

in another

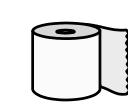

colour..

Fill

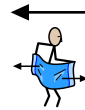

your

toilet roll

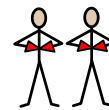

with the

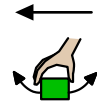

dried

beans

(we

used

coffee beans

+

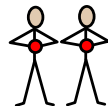

and

rice

in

ours).
