# Jasper's beanstalk sequencing activity

See if you can order the days of the week. Can you say, sign, show or find them on your talker?
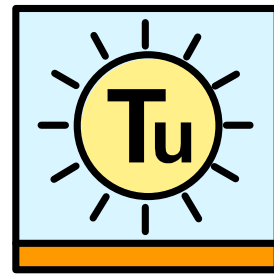

Can you match them to the pictures of Jasper on the twinkl visual aid resource? (Also attached)

Can you match the sentence to the pictures and days of the week?

The next Monday.

The next week.

Jasper found a bean.

Jasper planted the bean.

Jasper watered the bean.

Jasper dug and raked and sprayed and hoed the bean.
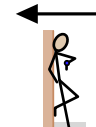

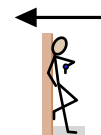

Jasper picked up the slugs and snails.
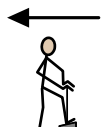

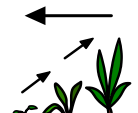

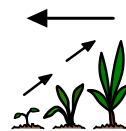

Jasper mowed the bean.

Jasper waited and waited.

Jasper dug the bean up.

Jasper's bean stalk grew and grew.
