

Ideas for using your leaves

1

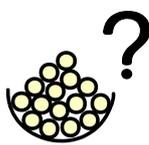

1.

Count

your

leaves.

How many

have

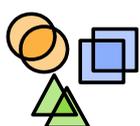

you

found.

2

2.

Sort

your

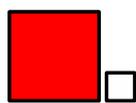

leaves.

Which

are

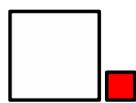

big?

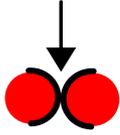

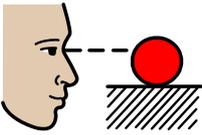

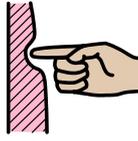

Which

are

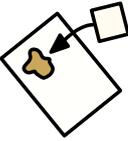

small?

3   + 
3. Touch your leaves and look at them.

   
Which are shiny? Which feel soft?

  
Have you got any prickly leaves?

4   
4. Stick leaves on paper to make a picture or

collage

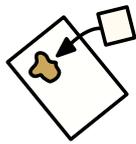

5

5. If you haven't managed to pick any leaves

you can ask your adult cut some out of

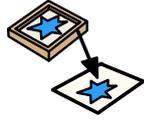

paper and stick them on a picture to make a

tree.

6

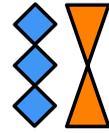

6. Make some prints from your leaves using

paint.

7

7. You could take some rubbings of your different

leaves.

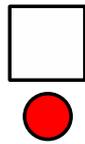

Place

the

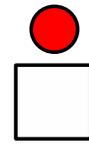

leaves

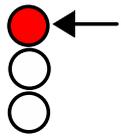

under

the paper and rub

over

the

top

with a crayon.
