Daily Activity

Watch 'The Little Red Hen story.'

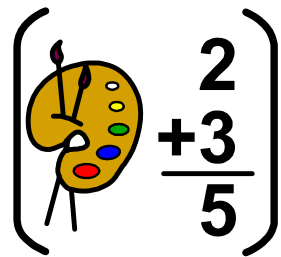

Carry out the activities linked to this.

Watch the playdough video. Can you make the numbers and objects on the sheets.

Watch the Rainbow cloud film. See if you can make your own Rainbow clouds.

Watch the silly soup phonic session Make your own silly soup using the pictures and find the objects starting with the same sounds.

Watch the video making pizza and follow the instructions to make your own pizza

Topic

? + ?  
How and why does it grow.

Check up on how all the plants are growing by watching the film. 'Look how its growing'.

Can you measure any plants you have grown and carry out the beanstalk height ordering activity.

If you want to do some more activities then there are lots more links to activities on our website.
