Daily Activity

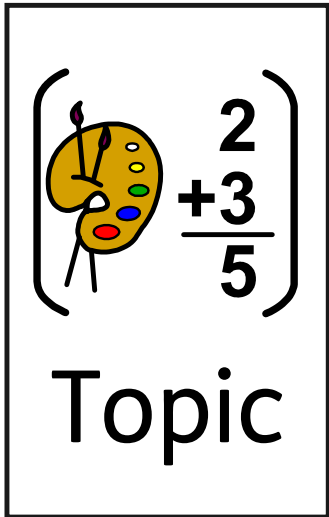

Literacy: To make Elmer puppets and use them when listening to the story or create your own story with the puppets and / or paint your own patchwork elephant. Templates for all of these are online or you can create your own.

PSHE: Friends!
Listen to a story - Thelma the Unicorn.
Make a friends paper-chain .
Sing, dance & sign - You've got a Friend in Me. Song video by Purple Class.

Maths: Listen to 'The High Street' story video. Watch, listen to and sing the 5 Currant Buns song or create your own shopping list and shop at home. Pay for your items by either choosing the correct matching coin or making the amount. (See story video, activity video & activity list)

Science - How plants take up water experiments 1) Grow carrot tops OR 2) Celery and dye 3) Collect plants and sort the parts of the plants into stem, leaves and attached instruction sheet. For a sensory experience touch and feel the parts of the plants whilst sorting them.

Topic: Collect leaves on a walk or in the garden. Watch the leaf rubbing video and do some leaf rubbing of your own.

Topic

Gross Motor Skills activity - Moving & acting like an insect. 1) Make the dice and use it to follow the actions OR 2) Cut up the cards sheet and pick one to do. See sheets attached.

If you want to do some more activities then there are lots more links to activities on our website.
