

## Use your shops pictures to answer the following questions.

1. Where would you go if you needed a new pair of trousers?
2. It is your best friends' birthday, where will you shop?
3. You want to post your card to your friend, where will you get a stamp from?
4. You also need to get a present for your 5 year old brother, it is his birthday in a couple of weeks, which shop will you go to?
5. There is a new Superman DVD out, where would be the best shop to go to get yourself a copy?
6. You decide to take the birthday card round to your friend (you can use the stamp you bought for something else), so you might as well get them a cake as well, where from?

7. Disaster, the washing machine is not working, you need a new one, where will you go?

8. So, you've been meaning to up-grade your phone for a while, where will you do this?

9. You also have a leak in your trainers, where do you go to get a new pair?

10. Now then, it would be nice to get some sausages for tea, where would you go to buy these?

11. And when you've had tea you always like to have a good read before bed, so you need to go to the.....?

12. Finally, all of that shopping has given you a bit of a headache, you need so headache pills, which shop will sell those to you?
