

Instructions for Habitat Activity.

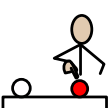

1   
 1. Choose an animal to research.

2       e.g.
 2. Find out some information about that animal eg.

     
 what sort of animal it is, where it lives, what it

        
 looks like, what it eats and any other interest facts

      
 you can find out about it. You could use the internet

   
 or books to find out this information.

3    
 3. Complete the Habitat fact files.
