Week 4.

Activities for you to have a go at this week.

- Following on from your alphabet work last week, try to have a go at working with the five vowels on the work sheet online.
- Thinking about initial sounds, have a look at the pictures and make a note of what sounds each of the words start with.
- Can you think of any other things that start with these words?
- Think about how you have been having to wash your hand more regularly. Can you have a go at using the Handwashing sheet to write a set of instructions?
- Read a book or one of the online books that are being put on the website.
