Daily Activity

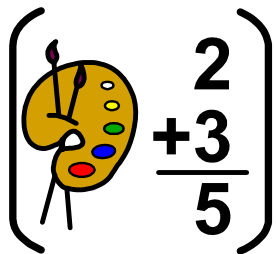

Literacy: Listen to the story Lost and Found and create your own book review or explore some water play and try and find some items around your house or garden that float and can be used as a boat for the boy and the penguin.

PSHE: Story - Peace At Last. Watch a demonstration video of making a Sensory Calm Bottle. Follow the instructions on the Power Point - make your own sensory bottles with help.

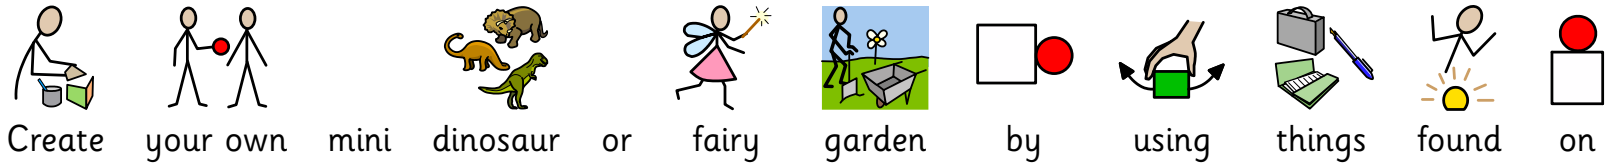

Maths: Money Focus - Find the coins hidden in different materials that you might have around the house with your hands or a magnet. Or listen to the 'What I like!' poem and explore using coins to buy ice creams by either counting and adding amounts or finding different ways to make 20p. (See poem video, activity list, activity videos and ice cream worksheets)

Science - Floating and Sinking - Find natural objects around the home, garden or out on a walk and see if they float or sink and record them in a chart. Use the charts attached.

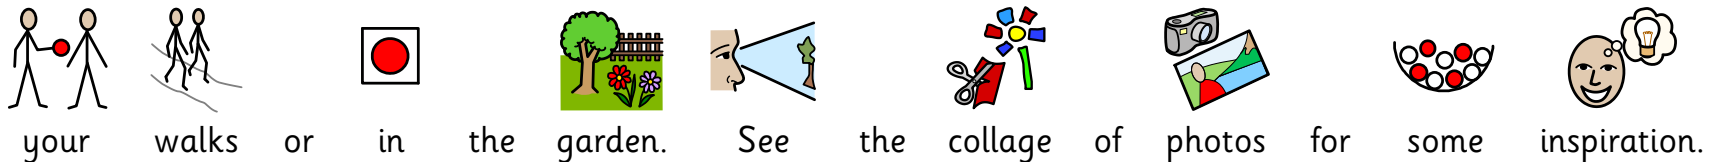

Topic: Create a mini twig raft. Will it float or will it sink? There is a sheet to help you.

Topic

Create your own mini dinosaur or fairy garden by using things found on

your walks or in the garden. See the collage of photos for some inspiration.

If you want to do some more activities then there are lots more links to activities on our website.
