

## Drama activity.

Write a funny story or play which has somebody falling over after they have tried to push or pull something (you decide).

Think about the following things;

How many other people are in the story?

Are the other people helpful or not?

Are they kind?

Was it an accident or did someone play a trick?

Where does the story happen?

Give your characters names

Make sure you describe the characters, what do they look like, what do they wear, are they nice people to be with?

Is your main character happy or sad at the end of the story?

Did your character learn anything from their experience...or not?
