

How To Draw a Beach Hut

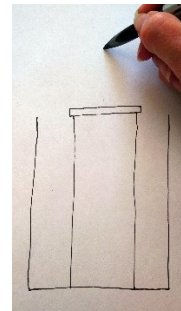

Start by drawing
The sides and
Bottom of the hut

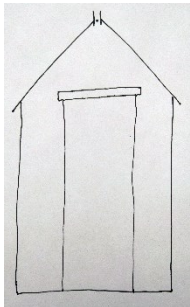

Then draw the door
in the middle, as tall
as the walls

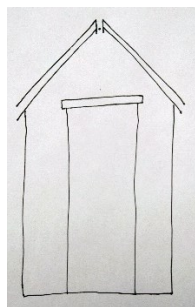

Draw a rectangle
above the door for the
lintel.

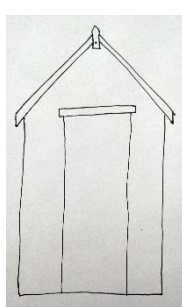

Mark a point above
the door for the top
Of the roof

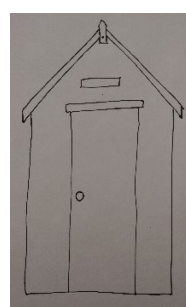

Draw 2 small
Lines by your dot,
draw the roof

Draw the outside
of the roof parallel
to the first lines

Finish the centre
pointed roof
piece

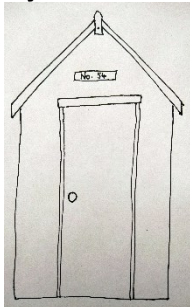

Draw a door
handle and
name plaque.

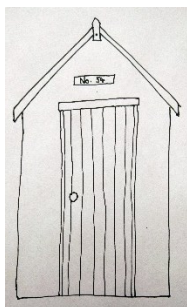

Colour it in.

If you want to create a more detailed beach hut, then don't colour it in yet and continue below.

Give your hut
A name or
Number

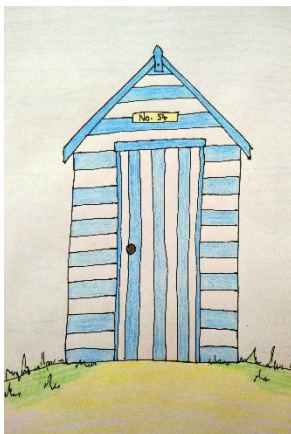

Draw vertical
lines on the door
for the planks

Draw horizontal
lines on the hut,
trying to keep them
Evenly spaced

Colour it in using
bright colours.

Create a background using the whole piece of paper.
You could draw a row of beach huts and colour them all different colours.
