

Maths Activities.

Week 11.

Odd and Even.

1. Read through the guide about Mr Odd and Mrs Even.
2. Have a go at trying to sort numbers into odd and even using the magical muddle worksheet.
3. Having read the story 'The Queens Knickers' design a calendar showing which knickers she would wear on odd days and which on even.

Good luck, hope you get on ok. Looking forward to seeing your work.
