

S3 Topic – Make a postcard notes for parents

Week 11

This week we are asking the children to design and write postcards from a beach holiday. Please would you cut out a large postcard size sheet for your child and set it out like a postcard.

Some children may like to cut pictures out and stick them on to a card. Please help them to decide where to stick their pictures if they are unsure. They might want to decide who they are going to send their postcard to and may need help to decide what they would like to say on the back of the card.

Some may like to draw a picture on the card and may be able to write for themselves with less help. They may need help to think what sort of picture the person they are sending the card to might like and what it is appropriate to say to that person. They might also need help to work out where to do their writing.

Other children may be happy to do this work mostly independently.

Good luck.
