

Painted Pants Toast

Ingredients

Bread

Food colouring
(various colours)

Milk (1/4 cup per
colour)

Butter or spread

Equipment

Toaster or grill

Small bowls (1 per
colour)

Clean paintbrushes or
pastry brushes

Knife

Method

1. Pour a small amount of milk into each of the small bowls and add a few drops of food colouring so that you have milk in a variety of colours.
2. Cut the bottom left and right corner off the slice of bread to make the slice into an 'underpants' shape.
3. Using the paintbrush, paint the bread with the coloured milk to 'decorate the pants'. Try not to use too much milk, to avoid making the bread too soggy.
4. Put the bread in the toaster or grill and lightly toast.
5. Add butter or spread to taste.
