

 - 
Life Skills Week Guide - Thursday

 Pick  a task  boxes.  Choose  one  that is

 challenging,  but  not  too  hard  for you.

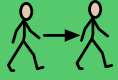

A)

- 1) Build a fort that can protect from the elements of Wind, Rain and Sun.
- 2) Build separate forts that allow our learner to experience Wind, Rain and Light/Dark.
- 3) There will be a prize for the best forts uploaded to Evidence for Learning.

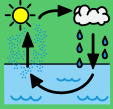

B)

- 1) Follow the video instructions for making a Water Cycle (on our website)
- 2) Can you find evaporation or condensation anywhere else and take a picture?

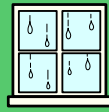

C)

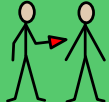

1) Follow the instruction on the website for making a

Water-cycle.

2) Go on a hunt for evaporation or condensation -

where else can you find it?

3

3) Draw a diagram of the Water Cycle.
