

How to draw a boat

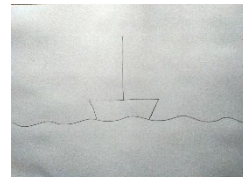

Draw a wavy line 6 or 7 cm from the bottom of the page

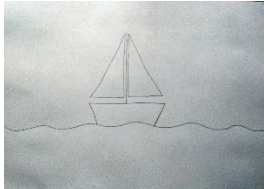

Draw a straight line 2-3cm above the wavy line

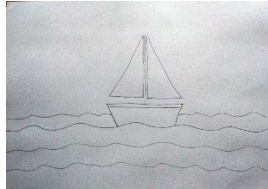

Draw a slanted line from ends of the straight to wavy line

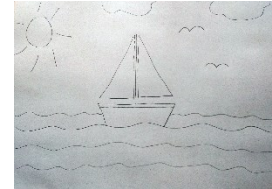

Draw a tall mast in the middle of the boat

Draw a triangle each side of the mast for Sails

Draw more wavy for the sea

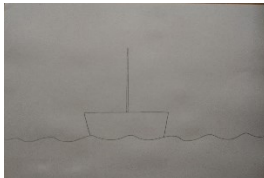

Draw a sun, some birds and clouds

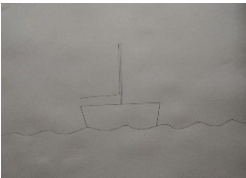

Colour in your picture.

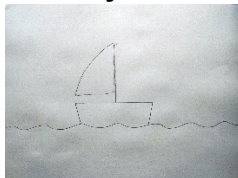

For a trickier boat, try this variation.

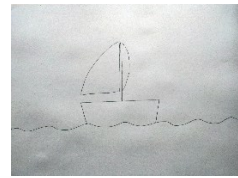

Copy the 1st 3 stages the same, then draw 2 lines for the mast.

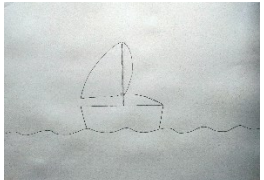

Draw a backwards L to the left of the Mast

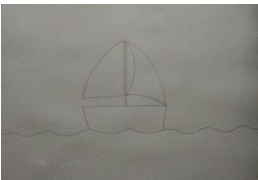

Join the 2 point of the L with a curved line for a sail

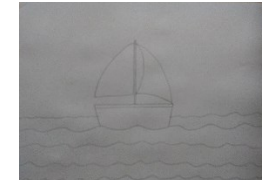

Draw a curved line from the top of the mast to near the bottom

draw another curved line from the bottom of the 1st line to the end of the boat.

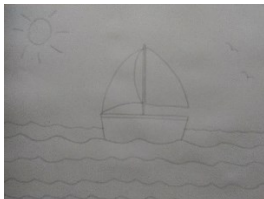

Join the ends of each line with another curve to create the 2nd sail.

Draw some more wavy lines for the sea.

Draw some background, such as a sun and birds

Add a pattern on the Sails.

Colour you picture.
