

# Spiders in Jelly

## Edible Sensory Recipe

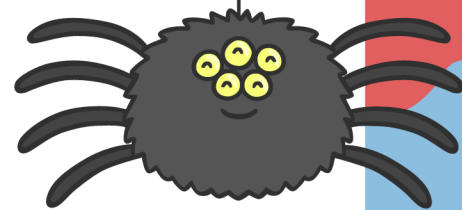

### Ingredients

Packets of jelly – you may want to mix colours or stick to just one

Plastic spiders

A large tub

Edible glitter (optional)

### Method

1. Make up the jelly, as per the instructions on the packet.
2. Drop the spiders into the liquid jelly, then add a layer of edible glitter on the top (optional).
4. The following day, tip the jelly into a large container, ready for the children to explore.
5. Anything can be added to the jelly; snakes, eyeballs, frogs etc. to fit in with any theme.
6. Do the children like the feel of the jelly? Can they find the objects?
