

**14**

Week 14: Maths

 In Maths this week we are going to be working with oranges and using them

 to help us with our counting and finding one less than a number.

**Activity 1:**

 Sensory Activity: Watch and listen to Orange Class Staff Team singing

 their Orange Counting Song. Can you sing with us? Can you create your own

 Orange Counting Song with your family? I would love to watch it!

**Activity 2:**

 Complete the Orange Segments counting activity. Can you find out what one less

 than each number would be as you eat the orange segments? You might want to

 write the number sentences as you eat each segment.

 (See activity videos and Orange Segments resource sheet)
