The Beach 100 Years from Now

This week we are going to design and make a beach scene

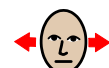

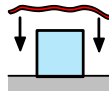

from the future. When I was a child there were donkeys on

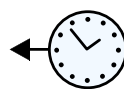

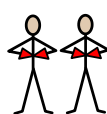

the beaches and you could pay to have a ride on a

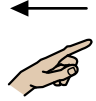

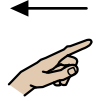

donkey. The spades were made of metal with wooden handles

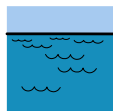

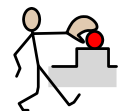

and swimming costumes were covered in frills and were not

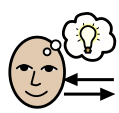

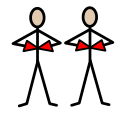

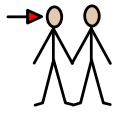

comfortable to wear. We used to travel to the seaside in

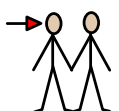

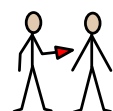

and  old fashioned  car  which  went  very  slowly.

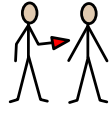

What  might  change  in  100 years  time?  Would there  still

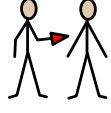

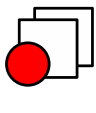

be  sand  and the  sea?  How would  people  get  to the

 beach?  Use  your  imagination  and  please  share your ideas

with  us.  Write  them  down  or  ask  an  adult  to

 write  them  for  you.

 Ask  the  person  who  is  looking after  you  for a  box.

 Ask  the  adult  to  help  you  cut  off the  front  and

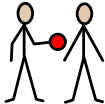

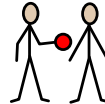

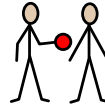

the  top  of the  box.

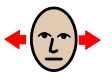

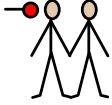

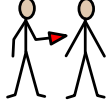

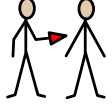

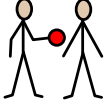

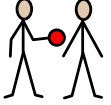

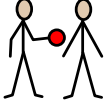

use whatever  you  have  at  home  to  make  the  things  which

 you  want  in  your  beach  scene. How is it  different  to what

 you  would  find  at  the  beach  today.  You can  ask

 your  adult  to  help  you  if  you  can't  think  of

 things  but try to  do  it on  your own.  It is  your  beach

 not  theirs.  When  you  have finished  your  scene  ask  if

 you can  take a photograph  of it and  ask  your  adult  to put it on

 Evidence  for  learning  so  that  I can  see  it.  Have  fun.
