 This is a photograph of my Grandfather and 2 of my

  
 Uncles. It was taken around 100 years ago. Where do you

  
 think they lived? Can you see anything different from what

  
 you would see today? What was my Grandfathers job?

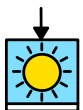

Watch the youtube clip [www.youtube.com/watch?v=zWgnpY4L9so](http://www.youtube.com/watch?v=zWgnpY4L9so)

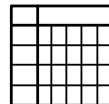

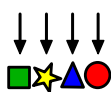

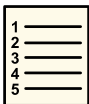

It is about the beach 100 years ago.

Compare what you see with what you would see

today at the beach.
